ABOUT THE BREWERY

A COMMITMENT TO CRAFT

Founded in 2017 by Rebecca Ryman, Wallenpaupack Brewing Company is an award-winning 14,000 square foot craft brewery, brewpub and beer garden adjacent to Lake Wallenpaupack in the Pocono mountains.

Inspired by the lake and all that it offers, our menu of handcrafted beers and in-house prepared foods use locally sourced ingredients whenever possible for an authentic taste of Northeastern Pennsylvania (NEPA).

Giving back is part of our DNA, as we support many local causes through various initiatives, including our Pints for a Purpose program, specialty can sales and our 14-day Quarantine Pack, sold during the 2020 pandemic.

We invite you to stop in and join us for a beer at our brewpub, beer garden or at various bars, restaurants and grocery/liquor stores in the NEPA region and find out why we were named "Pennsylvania Brewery of the Year" by the New York International Beer Competition.

Cheers,
